Qld Horse Council

Large Animal Rescue Awareness Course

17/18th September 2011 Gatton Research Centre

Knowing what to do in an emergency may mean the difference between life and death for your horse.

Conducted by Dr Rebecca Giminez

Technical Large Animal Emergency Rescue in the USA

Bruce the full size horse rescue mannequin will be there for demonstrations.

The cost of the course includes a copy of Equine Emergency Rescue by MaryAnne Leighton – this book is a must for all horse owners.

Bookings are essential.
