

# Recreation Trail Strategy

Are you finding it a challenge to discover somewhere new to walk your dog?

Have you exhausted the horse riding and mountain biking trails?

Are you bored with the same cycle paths and urban jogging circuits?

You're invited to participate in the Sunshine Coast Regional Council's development of the Recreation Trail Strategy. We'd like your input and evaluation of existing recreation trails- both urban and rural and your feedback on proposed new trails. A series of workshops are planned for each division of SCRC providing opportunities for residents to contribute to strategic planning that will define the regional identity of the Sunshine Coast.

**Please confirm you are able to attend the workshop on/at the date/venue listed over the page by either phoning  
Ellie Starkey on 5420 8913  
or emailing
